

Full Moon Scholarship Proposal

The Kentuck Museum Association is now accepting proposals for Full Moon Emerging Artist Scholarship Program for the 2012 exhibition season.

A panel of jurors reviews Full Moon Scholarship Proposals. The decisions made by the Full Moon Scholarship Jury are final. The assignment of gallery space and exhibition dates is carefully considered, and cannot be rescheduled once set.

A Full Moon Emerging artist must have a solid body of work completed in the last two years, and should not currently be earning a living as a professional artist. This scholarship program provides an opportunity to begin building a resume and “jump start” a professional art career with no financial commitment to the artist.

Only applicants living in a 300-mile radius of Northport/Tuscaloosa are eligible. Recipients of the Emerging Artist Scholarship attend a single afternoon, hands-on workshop and critique from professional artists. Kentuck will also work with the artist to assist with developing artist statements, media relations training, and exhibition design assistance.

Digital applications are accepted throughout the year. Mail or deliver to Kentuck; 503 Main Avenue; Northport, Alabama 35476. Scholarship applicants must submit the following items:

- Digital image portfolio that represents the last two years of work (minimum of 6 images)
- A resumé
- Short bio
- Essay of up to 400 words regarding his/her work
